Syllabus

For K.G. level advanced books are followed for enhancing knowledge and skills; particularly communication.

To develop finger dexterity various activities are given to the students.

Continuous Comprehensive Evaluation syllabus is followed for classes I to IX. Additional subjects such as Computer, General Knowledge, Communicative English, Value Education, Physical Education, Art and craft are taught. Learning by doing is ensured through activities, Projects and assignments for the student. Periodically Formative Assessment is conducted by the teachers and Summative Assessment is conducted at the end of each term.

In case the student is weak in any particular subject he/she has to attend extra hours of classes for that particular subject. So, parents must co-operate by sending their wards for attending special classes whenever required. This is applicable for all classes from std I to XII. Students are not encouraged to attend private tuitions.

X and XII Std

Special attention is provided to X and XII Students both academically and psychologically. Individual counselling and career guidance are provided to the students at free of cost. No student is required to go for private tuition. Special efforts are taken to help the students to obtain high marks in Public Examination. No student must be absent for special classes.

Course Offered in XI Std

Group Code – Group Subject

102	- Physics, Chemistry, Mathematics and Computer Science.
103	- Physics, Chemistry, Mathematics and Biology.
201	- Physics, Chemistry, Biology and Computer Science.
302	- Computer Science, Economics, Commerce and Accountancy.
308	- Economics, Commerce, Accountancy and Business Maths.

Qualification for Admission to Std XI

A minimum pass in X Std is the basic qualification required for admission to XI std, but the management reserves the right to fix basic minimum required marks for giving admission to Std XI.

Practical

Students should strictly adhere to the guidance of the concerned subject teacher. If any one breaks the apparatus or damages anything in the laboratory, should pay compensation. Misbehavior in the laboratory will be viewed seriously.

Practical marks will be awarded based on the performance of the students in the laboratory as well as the effort taken by the student in learning the procedure adopted for practicals.
